

# Rediscover Your Heart

7 Keys for Personal and Planetary Transformation

## Visions for the Future

In part III of *Rediscover Your Heart* Matser invited friends and colleagues from all walks of life — men, women and children, both well-known and unknown, and drawn from the worlds of business, politics, health, arts, schools, youth groups and so on — to share their visions and dreams for creating a more functional world.

### Each contributor was asked to consider the following:

- What are your visions/dreams for the future of the planet?
- How can you/we make these visions/dreams happen?
- What particular experiences in your life shaped your vision?
